

EP GIVES Event at Green Acres Barn

On Saturday May 4th, 2013 the Eden Prairie Foundation's EP GIVES event will be held at the historic Green Acres Barn in Eden Prairie. The Eden Prairie Foundation is celebrating 32 years of local giving benefiting the community of Eden Prairie. You can purchase tickets online NOW at epcommunityfoundation.org.

With generous sponsorship by local businesses, and Eden Prairie neighbors this gala event will feature hearty appetizers, craft beers and wine, a live auction, announcement of grants, desserts and coffee and to end the evening music and dancing to the sounds of the local Mark Miller Band. For anyone who hasn't seen the refurbished Goodrich-Ramus, now the Schussler Barn, it's a showplace of restoration architecture, antiques and contemporary art. Electric and historic, the interiors of the barn's two floors provide conversational seating with the same kind of comfort level you'd experience in your own home as well as the additional ambiance and grandeur of a collector's paradise.

Steve Schussler, who donated the event center for the evening, is an avid collector of antiques and art.

See the cow in the foreground of the picture? Well, evidently there are 22 of them scattered around the grounds. And, if you attend, you can have your picture taken with one of these one-of-kind hand painted pieces-of-art!

The Eden Prairie Foundation's motto is to "Enrich our community through philanthropy, collaboration & leadership."

Starting in 1981 the Foundation has given out more than \$1.3 Million in grants to 54 non-profit organizations.

Your attendance at the gala event will help support cultural, educational, environmental, recreational, and social service needs for the greater Eden Prairie community.

Come join this celebration of community and community giving.
